Failure to answer all questions and submit backup documentation and/or give an explanation in writing as to why they are not included as part of the application will result in your application not being placed on a Commission agenda for consideration.
2. One fingerprint card for each officer of the corporation, partnership or the sole proprietor. Each card must be filled out completely. Along with each card you must submit a [Civil Applicant Waiver](#) and a **CERTIFIED CHECK** or **MONEY ORDER** made payable to **Department of Public Safety** in the amount of **\$38.25**. The card is submitted to the Department of Public Safety and FBI for background checks and require 60 to 90 days for the information to be returned to us. Please submit immediately if you want to cut down on the time required to obtain a license.
3. Two years income tax returns, corporate or individual depending on business structure. If your company does not have two years of tax returns you may be required to submit personal tax returns on all officers of the company.
4. You must submit any additional information requested by the commission.
5. \$500 Application fee will be collected upon approval of the application and completion of bond requirement.
6. \$10,000 dollar Refund and License bond.
7. A representative of the organization to be licensed must be present at a scheduled commission meeting when the application for licensure is discussed.
8. All requests for dates to promote must be made in writing and submitted to the commission office as far in advance as possible, as they require commission approval on a Commission agenda. The letter to request a date must include the venue, type of event, date of event, any information regarding title fights on the card and what network(s) the event will be televised on.
