

STATE OF NEVADA ATHLETIC COMMISSION

EXPECTATIONS FOR PROFESSIONAL PROMOTERS & VENUES

The following information is for review by individuals or companies inquiring about getting licensed to hold events of professional boxing, kickboxing and/or mixed martial arts in Nevada. The information is being provided solely for guidance, and does not modify any statutes, regulations or policies of the Nevada Athletic Commission. If you have any questions or want any additional information, please contact the commission office at (702) 486-2575 or boxing@boxing.nv.gov.

First you must get licensed by the commission. Below are the requirements and a brief explanation of the process.

1. Completed **ORIGINAL** [application](#) and one copy of the **entire** application package. Failure to answer all questions and submit backup documentation and/or give an explanation in writing as to why they are not included as part of the application will result in your application not being placed on a Commission agenda for consideration.
2. One fingerprint card for each officer of the corporation, partnership or the sole proprietor. Each card must be filled out completely. Along with each card you must submit a [Civil Applicant Waiver](#) and a **CERTIFIED CHECK** or **MONEY ORDER** made payable to **Department of Public Safety** in the amount of **\$36.25**. The card is submitted to the Department of Public Safety and FBI for background checks and require 60 to 90 days for the information to be returned to us. Please submit immediately if you want to cut down on the time required to obtain a license. You may want to contact the commission office prior to purchasing your certified check or money order as there have been several price adjustments in the last year. Please make sure to complete the Residence and Employer sections.
3. Two years income tax returns, corporate or individual depending on business structure. If your company does not have two years of tax returns you may be required to submit personal tax returns on all officers of the company.
4. You must submit any additional information requested by the commission.
5. \$750 Application fee will be collected upon approval of the application and completion of bond requirement.
6. \$10,000 dollar Refund and License bond.
7. A representative of the organization to be licensed must be present at a scheduled commission meeting when the application for licensure is discussed.
8. All requests for dates to promote must be made in writing and submitted to the commission office as far in advance as possible on the [Request for Program Permit](#). This requires commission approval on a separate Commission agenda than your licensing application approval.
