MEMORANDUM

TO: ALL PROMOTERS
FROM: Keith Kizer, Executive Director
DATE: November 13, 2013
REFERENCE: 2014 Renewal Applications

Enclosed is your renewal application for the 2014 calendar year. Please fill it out completely, sign it, and mail it to the Commission office, along with the \$500.00 license fee, before you arrange your first show in 2014.

Starting with calendar year 2014 licenses, ALL contestants will need to get a complete blood count (CBC) with their physical examination. The Commission already requires a CBC of comprehensive contestants and amateur-to-professional contestants. We have now added it to the "basic" physical examination form too. The CBC is a once-a-year requirement like HIV and Hepatitis B & C testing. (We have contacted Request-a-Test and they have a special code COMBATANT QUAD, which covers HIV, Hepatitis B & C, and CBC for only \$105, for fighters getting licensed in Nevada.)

We continue to revise and improve the Commission website, <http://boxing.nv.gov/>. A special page has been added with all frequently used forms at http://boxing.nv.gov/licensing/Renewal/Promoter_Renewal/. Please let us know if you wish to see additional information on the website.

Please call the Commission office with any questions or concerns. Thank you.
