

Steve Sisolak
Governor

STATE OF NEVADA
ATHLETIC COMMISSION
Chairman: Anthony A. Marnell III

Bob Bennett
Executive Director

Members: Staci Alonso, Christopher Ault, Dallas Haun, Stephen Clooback

NOTICE

REVISION OF COVID-19 PROTOCOLS FOR CONTESTS OR EXHIBITIONS OF UNARMED COMBAT

DATE: June 1, 2021

TO: All NSAC Licensees and Interested Persons

FROM: Bob Bennett, Executive Director

SUBJECT: Revision of COVID-19 Protocols for Contests and Exhibitions of Unarmed Combat

Effective June 1, 2021, the COVID-19 protocols governing contests and exhibitions of unarmed combat previously issued by the Nevada State Athletic Commission (NSAC) are hereby repealed and replaced by the protocols set forth in this Notice. These changes were prompted by the Governor's Declaration of Emergency Directive (Directive) 044, a copy of which is attached hereto as Attachment 1.

Except as otherwise provided herein, each contest or exhibition of unarmed combat held in the State of Nevada must be conducted in full compliance with the local COVID-19 plans adopted by the county in which the contest or exhibition is scheduled to be held (for reference, a copy of the local plan adopted by Clark County¹ is attached hereto as Attachment 2). In addition to the local plan requirements, the NSAC mandates, except as specifically provided otherwise herein, that all persons associated with the promoting, producing, presenting, or conducting any contest or exhibition, who have not been fully vaccinated,² follow social distancing practices and wear face coverings while present at an event. This includes any employees or agents of such individuals.

¹ Note: The attached plan is subject to change. It is suggested that any interested party go to the respective county's website to obtain the most current version of the applicable local plan.

² For purposes of this Notice, a person is considered fully vaccinated two weeks after administration of the second dose in a two-dose vaccine (e.g., Pfizer or Moderna), or two weeks after the administration of a single-dose vaccine (e.g., Johnson and Johnson/Janssen).

In addition to the above, until further notice, the NSAC hereby imposes the following requirements relating to contests or exhibitions of unarmed combat held in the State of Nevada:

1. Contestants and Seconds

No contestant or second may participate in a contest or exhibition of unarmed combat in the State of Nevada unless he or she has complied with at least one of the following requirements:

- Been fully vaccinated against COVID-19; or
- Submitted to, and obtained a negative result from, a lab-based, COVID-19 polymerase chain reaction (PCR) test, or other COVID-19 test acceptable to the NSAC, on the day before or the day of the contest or exhibition.

Proof of vaccination or a negative COVID-19 test result must be provided to the NSAC prior to the commencement of the contest or exhibition.

In addition, prior to being permitted to participate in a contest or exhibition, all contestants and seconds are required to complete and sign the "Contestant/Second's COVID-19 Vaccination Confirmation or Consent for COVID-19 Testing" form attached hereto as Attachment 3.

Lastly, contestants and seconds shall be subject to any COVID-19 testing as deemed appropriate or necessary by the NSAC prior to or during the contest or exhibition.

Any contestant or second that fails to comply with the above, shall be prohibited from participating in the applicable contest or exhibition. Further, failure to comply will provide grounds for disciplinary action by the NSAC pursuant to NRS 467.110 and NAC 467.885, and may result in the suspension or revocation of the contestant's or second's license.

2. Promoters, Managers, and Ring Officials

No promoter, manager, employee or agent of a promoter or manager, or ring official may participate in a contest or exhibition of unarmed combat in the State of Nevada unless he or she has met or complies with at least one of the following requirements:

- Been fully vaccinated against COVID-19; or

- Submitted to, and obtained a negative result from, a lab-based, COVID-19 polymerase chain reaction (PCR) test, or other COVID-19 test acceptable to the NSAC, on the day before or the day of the contest or exhibition.
- If neither of the above two requirements are met, the person is required to wear a face covering and practice social distancing from others at all times he or she is present at the event.

Compliance with the above requirements shall be on the honor system, therefore no proof of compliance need be provided to the NSAC. However, if it is discovered that the person (either the licensee or the licensee's employee or agent) participated in the contest or exhibition in violation of the above requirements, the NSAC may consider seeking disciplinary action against the person's respective license pursuant to NRS 467.110 and NAC 467.885. Such disciplinary action may result in the suspension or revocation of the individual's respective license.

Lastly, promoters (including the promoter's employees and agents), managers, and ring officials participating in a contest or exhibition shall be subject to any COVID-19 testing as deemed appropriate or necessary by the NSAC prior to or during the respective event.

The Nevada State Athletic Commission (NSAC) has been vested with the sole direction, management, control, and jurisdiction over all contests or exhibitions of unarmed combat held or given in the State of Nevada. As such, it has the authority to regulate such contests or exhibitions in a manner that best protects the health and safety of those present at such events.

While there is no way to fully eliminate the potential spread of COVID-19, it is believed the implementation of this policy and procedures will substantially mitigate such risk. The health and safety of all those involved in unarmed combat and its spectators is of the utmost importance to the NSAC.

Bob Bennett
Executive Director
Nevada State Athletic Commission

ATTACHMENT 1

DECLARATION OF EMERGENCY

DIRECTIVE 044

WHEREAS, on March 12, 2020, I, Steve Sisolak, Governor of the State of Nevada, issued a Declaration of Emergency to facilitate the State's response to the COVID-19 pandemic; and

WHEREAS, on March 13, 2020, Donald J. Trump, President of the United States, declared a nationwide emergency pursuant to Sec. 501(6) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. 5121-5207 (the "Stafford Act"); and

WHEREAS, the World Health Organization advises that the novel coronavirus that causes COVID-19 virus is highly contagious, and spreads through respiratory transmission, and direct and indirect contact with infected persons and surfaces; and

WHEREAS, the World Health Organization advises that transmission occurs through both droplet and airborne transmission, where droplet transmission occurs when a person is in close proximity to someone who is infected with COVID-19; and

WHEREAS, the World Health Organization advises that contact transmission occurs by direct contact with infected people or indirect contact with surfaces contaminated by the novel coronavirus; and

WHEREAS, on March 14, 2020, I formed a COVID-19 Medical Advisory Team to provide medical guidance and scientifically based recommendations on measures Nevada could implement to better contain and mitigate the spread of COVID-19; and

WHEREAS, infectious disease and public health experts advised that wearing a mask or other face covering is an important and effective measure to reduce the spread of COVID-19; and

WHEREAS, in late December 2020, Nevada began distributing COVID-19 vaccines, but the supply of vaccines remains limited; and

WHEREAS, Nevada's hospitalization rate for suspected and confirmed COVID-19 cases has trended downward since mid-January 2021; and

WHEREAS, since mid-January 2021, the 14-day moving average test positivity rate has generally declined, but COVID-19 still poses a substantial threat to the public health; and

WHEREAS, on February 14, 2021, I issued Emergency Directive 037, which set forth a stepped approach to easing the restrictions on the size of gatherings, reduced capacity for bars, restaurants, and other businesses, that were implemented during the Statewide Pause; and

WHEREAS, Emergency Directive 037 provides that, beginning on May 1, 2021, it may be appropriate to transition the management of certain mitigation measures to the counties, if COVID-19 cases continue to decline; and

WHEREAS, Emergency Directive 041, issued on March 12, 2021, sets forth a process for counties to create a COVID-19 Local Mitigation and Enforcement Plan ("Local Plan") that will provide for local control and enforcement of certain COVID-19 mitigation measures; and

WHEREAS, new variants of the COVID-19 virus have been identified, and medical experts have determined that some of these variants are significantly more contagious than previously known variants; and

WHEREAS, COVID-19 remains a statewide public health crisis and requires that certain mitigation measures and emergency management functions will continue to be managed at the state level to protect the overall health and safety of all Nevadans; and

WHEREAS, NRS 414.060 outlines powers and duties delegated to the Governor during the existence of a state of emergency, including without limitation, directing and controlling the conduct of the general public and the movement and cessation of movement of pedestrians and vehicular traffic during, before and after exercises or an emergency or disaster, public meetings or gatherings; and

WHEREAS, Article 5, Section 1 of the Nevada Constitution provides: "The supreme executive power of this State, shall be vested in a Chief Magistrate who shall be Governor of the State of Nevada;"

NOW THEREFORE, by the authority vested in me as Governor by the Constitution and the laws of the State of Nevada and the United States, and pursuant to the March 12, 2020 Emergency Declaration,

IT IS HEREBY ORDERED THAT:

SECTION 1: The provisions of previous Directives are hereby superseded only by the explicit provisions of this Directive. Any provisions not addressed by this Directive shall remain in force as provided by previous Directives or regulations promulgated pursuant to the March 12, 2020 Declaration of Emergency.

SECTION 2: Consistent with Directive 041 and the *Nevada United: Roadmap to Recovery* plan for a federally supported, state managed, and locally executed reopening approach, county governments are hereby delegated the authority to manage certain COVID-19 related mitigation measures, including restrictions on businesses and public activities. Restrictions imposed by county government through their COVID-19 Local Mitigation and Enforcement Plan ("Local Plan"), as set forth in Directive 041, may be more restrictive than the standards required by those statewide Directives that remain in effect, but in no case shall county-guidelines be more permissive than the provisions of those Directives.

SECTION 3: The phrase “social distancing” references guidance promulgated by the United States Centers for Disease Control and Prevention (“CDC”) regarding maintaining a certain physical distance between individuals not of the same household. The phrase “sanitation measures” or “sanitation guidelines” includes without limitation: washing hands with soap and water for at least twenty seconds as frequently as possible, using hand sanitizer, covering coughs or sneezes (into the sleeve or elbow, not hands), regularly cleaning high-touch surfaces, and not shaking hands.

SECTION 4: The following shall terminate at 11:59 p.m. on April 30, 2021:

- The social distancing requirements and hygiene considerations as set forth in Directive 021.
- Section 2 of Directive 007.
- Any other directive provisions mandating statewide social distancing.

SECTION 5: All businesses and employers are encouraged to continue to take proactive measures to implement social distancing and sanitation guidelines.

SECTION 6: All Nevadans must continue to wear face coverings as set forth in Directive 024 and Directive 028. All businesses and employers shall continue to require employees who interact with the public to wear face coverings as set forth in Directive 024. All employers and shall abide by all other guidelines promulgated by NV OSHA and the Local Plan adopted by the county in which the business is located.

SECTION 7: NV OSHA shall continue to ensure that businesses reopening pursuant to this Directive, Directive 041, a county’s Local Plan, or otherwise operating during the state of emergency, provide adequate protections to their workers. NV OSHA shall enforce all violations of the remaining statewide Directives, guidance, protocols, and regulations.

SECTION 8: Effective May 1, 2021, Section 7 of Directive 041 is amended to read as follows:

Notwithstanding any delegation of authority pursuant to this Directive, certain mitigation measures (or "Baseline Statewide Mitigation Measures") shall remain in place and will continue to be managed and enforced by the State, including but not limited to:

- Statewide mask and face covering requirements as set forth in Directives 024 and Section 4 of Directive 028 (school districts and charter schools).
- Open Meeting Law provisions as originally set forth in Directive 006.
- Mitigation measures for gaming establishments.
- Crisis Standards of Care as set forth in Directive 011.

Effective May 1, 2021, the State will no longer require or enforce the following mitigation measures; however, counties, school districts, and charter school sponsors may adopt and enforce such mitigation measures as part of their respective COVID-19 mitigation plans:

- Social distancing and hygiene considerations as set forth in Directive 021 and Directive 028 (school districts and charter schools).
- School reopening and operational requirements as set forth in Directive 038. See Sections 13-16 of this Directive, below.

SECTION 9: Section 10 of Directive 041 is hereby terminated and replaced with the following:

This Section shall apply to all gatherings and events in excess of 250 attendees that will occur between May 1, 2021 and May 31, 2021.

A person wishing to host, organize, or conduct a large gathering (the "organizer") under this Section may continue to submit a Large Gathering Plan to B&I as set forth in Section 9 of Directive 041 through April 30, 2021. B&I will not approve any plan for more attendees than 50% of occupancy capacity for any event occurring before June 1, 2021. For events occurring on and after June 1, 2021, B&I will no longer review or approve plans. Approvals for Large Gathering Plans for events occurring on or after June 1, 2021 that were approved by B&I prior to the date of this Directive remain valid.

Events taking place between May 1, 2021 and May 31, 2021 that are submitted to B&I for approval under this section must also follow all mitigation measures required by the county where the event is to take place.

The organizer may also submit a Large Gathering Plan to the applicable authorities in the county, in accordance with the processes and procedures set forth by the county in its respective Local Plan. However, even if the Large Gathering Plan is approved by the county, it is not valid unless the county receives a delegation of authority pursuant to Section 4 of Directive 041.

For Large Gathering Plans approved by B&I prior to the date of this Directive, if a county subsequently approves a Large Gathering Plan for the same event and the county in which the event will occur has adopted a Local Plan pursuant to Section 3 of Directive 041 and received a delegation of authority pursuant to Section 4 of Directive 041, the organizer may hold the event according to either the plan approved by B&I or the plan approved by the county, whichever is less restrictive.

The intent of this Section is to promote certainty for the planning of events that will occur during the period of transition from State to county authority.

SECTION 10: Section 11 of Directive 041 is hereby amended to read as follows:

This Section shall apply to all gatherings and events in excess of 250 attendees that will occur on or after June 1, 2021.

B&I will no longer review and approve plans for large gatherings that will occur on or after June 1, 2021. A person wishing to host, organize, or conduct such a gathering (the "organizer") shall follow the procedures set forth in the Local Plan adopted by the county in which the event will occur.

If the county has not adopted a Local Plan or has not received a delegation of authority pursuant to the procedures set forth in this Directive, the organizer must consult with the applicable county and local health authorities to determine the appropriate mitigation measures.

SECTION 11: Notwithstanding any delegation of authority to a county pursuant to Directive 041, if any provision of a Local Plan adopted by a county pursuant to Directive 041 conflicts with any Baseline Statewide Mitigation Measures, including but not limited to the face covering requirement in Directive 024, such provision is void.

SECTION 12: If a county wishes to change its Local Plan after receiving a delegation of authority pursuant to Directive 041, such changes must be approved by its Board of County Commissioners. The county must submit a report to the Task Force that: (1) describes the changes; (2) includes a copy of the amended Local Plan; and (3) states whether the changes received the endorsement from the following entities:

- Local health district / authority;
- Superintendent of the local school district;
- City manager(s) of any city within the county with a population in excess of 100,000; and
- Nevada Hospital Association and/or Nevada Rural Hospital Association.

The changes become effective upon approval of the Board of County Commissioners, or upon a future date set by the Board.

On June 1, 2021, a county will no longer need to follow the process set forth in this Section to change, update or amend its Local Plan.

SECTION 13: Section 3 of Directive 028 and Sections 2, 3, and 4 of Directive 038 shall terminate at 11:59 p.m. on April 30, 2021. Effective May 1, 2021, authority for managing certain COVID-19 mitigation measures is delegated to county school districts, charter school sponsors, and private school leaders (“School Leaders”). School Leaders may determine capacity limits, social distancing protocols, and sanitation protocols for school transportation, spaces within school buildings or on school grounds, and for public gatherings and events of up to 250 people.

School Leaders should make these decisions in consultation with staff and families as well as local public health authorities.

Public gatherings and events of over 250 people organized or hosted by School Leaders or in school buildings or on school grounds require a Large Gathering Plan pursuant to this Directive and Directive 041.

SECTION 14: Effective July 1, 2021, Section 6 of Directive 005 is hereby amended to read as follows:

In addition to the methods of distance education allowed in NRS 388.826, County School Districts and Charter Schools may provide distance education through paper correspondence only with the advance written permission of the Superintendent of Public Education.

SECTION 15: All county school districts and charter schools must provide a distance education option for all students throughout the remainder of the Governor’s Declaration of Emergency in response to COVID-19.

SECTION 16: The Superintendent of Public Instruction shall update the requirements and provide written guidance to county school districts and charter schools regarding reopening plans and plans for Path Forward Programs of Distance Education for the 2021-22 school year.

SECTION 17: The following shall terminate at 11:59 p.m. on May 31, 2021:

- Directive 006

- Directive 034
- Directive 037
- Sections 6 and 7 of Directive 038
- Directive 039
- Directive 040
- Directive 042

SECTION 18: Effective May 1, 2021, Section 12 of Directive 041 is amended to read as follows:

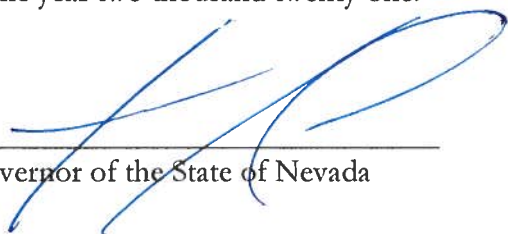

Effective May 1, 2021, Section 7 of Directive 037 shall terminate, and authority to prescribe COVID-19 mitigation measures for gaming properties, which may include but are not limited to capacity limitations for gaming areas, is hereby delegated to the Gaming Control Board.

Effective 12:00 a.m. on May 1, 2021, provisions of this and other Directives that remain in effect, and any mitigation measures put in place by the applicable county, that apply to non-gaming businesses including but not limited to retail stores, restaurants and bars, non-retail venues, and pools and aquatic facilities, shall apply to those businesses, including those located on gaming properties.

SECTION 19: The provisions of this Directive remain in effect until amended or terminated by a subsequent Directive promulgated pursuant to the March 12, 2020 Declaration of Emergency to facilitate the State's response to the COVID-19 pandemic, or upon dissolution or termination of the Declaration of Emergency.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Nevada to be affixed this 19th day of April, in the year two thousand twenty-one.

Governor of the State of Nevada

Secretary of State

Deputy Secretary of State

NEVADA ROADMAP TO RECOVERY: DIRECTIVE 044 UPDATES

To achieve the goal of reopening business capacity to 100 percent in all counties by June 1, Governor Sisolak issued [Directive 044](#) on April 19, 2021. As outlined in the Nevada Roadmap to Recovery, COVID-19 mitigation measures will begin transferring to local authority starting May 1 and each Nevada county has been working with the COVID-19 Mitigation and Management Task Force ("Task Force") to finalize plans for this transition.

As a result of this transition to local authority, each county will be able to make decisions based on what is best for their communities while considering transmission of the virus, vaccination, testing and other infrastructure needs specific to their communities. Below is a summary of the major changes from Directive 044 that will be happening May 1 and June 1.

MAY 1, 2021

LOCAL PLANS: All counties will be able to set their own mitigation measures, including restrictions on businesses and public activities, by approving their COVID-19 Local Mitigation and Enforcement Plan ("Local Plan") as set forth in [Directive 041](#). Local Plans may be in effect no earlier than May 1. Directive 044 makes clear that if any provision of a Local Plan adopted by a county conflicts with a required Statewide Mitigation Measure, such as mandated face coverings per Directive 024, that provision is void.

SOCIAL DISTANCING: As of May 1, 2021, the State Emergency Directives will no longer include social distancing and sanitation guidelines, and counties/school districts will have the authority to include social distancing measures within their mitigation plans. Public health experts continue to recommend that Nevadans practice safe social distancing.

LARGE GATHERINGS & EVENTS: Large gathering or event in excess of 250 attendees between May 1 and May 31 must submit to the county where the event is to take place pursuant to the procedures set forth in that county's Local Plan and must follow all mitigation measures and social distancing requirements established by that county. Large Gathering Plans approved by the Nevada Department of Business & Industry (B&I) prior to April 19, 2021 (the date of Directive 041) may still take place, but organizers may work with the respective county officials on approval of a less restrictive event if that county's Local Plan allows for such.

An event organizer may submit a Large Gathering Plan to B&I through April 30, 2021, for an event to take place between May 1 – May 31, 2021, but such plans must follow all social distancing and mitigation measures required by the county where the event is to take place.

SCHOOLS: Decisions related to social distancing, sanitation protocols, capacity limits, school transportation, and other mitigation measures will be delegated to county school districts, charter school sponsors, and private school leaders effective May 1. Parents and students should communicate with their schools and county school districts / charter school sponsors to understand what measures and protocols will be in place for the remainder of the school year.

NEVADA'S ROADMAP TO RECOVERY

April 2021

GAMING: Mitigation measures for gaming properties, including capacity limitations for gaming areas, will be delegated to the Gaming Control Board effective May 1. Other businesses located within a gaming property will be subject to the applicable county's capacity and other mitigation measures applicable to that type of business, per the approved Local Mitigation and Enforcement Plan. For example, a retail clothing store located within a gaming property shall follow the mitigation measures for retail stores that are set forth in the county's plan.

June 1, 2021

REOPENING: Effective June 1, all remaining State mitigation measures, *with the exception of the mask mandate (see below)*, will terminate leaving no State restrictions in place that would prevent 100 percent reopening of businesses and activities.

Counties will have continued authority to set their own mitigation measures based on the needs of their communities, continued transmission of the virus, vaccination, testing, etc. Following June 1, if counties would like to amend their plans, they will no longer be required to go through the approval process outlined in Directive 041.

LARGE GATHERINGS & EVENTS: The State of Nevada (Department of Business and Industry) will no longer review and approve Large Gathering Plans for events that will take place on June 1 or later. The approval process for large gatherings or events will be determined by the counties pursuant to their respective Local Plans for events taking place on or after June 1. Counties will have the ability to determine the capacity limits, social distancing requirements, mitigation measures and other protocols required for a large event.

OPEN MEETING LAW: The suspensions to certain provision of Nevada's Open Meeting Law set forth in Directive 006 will terminate effective June 1. As such, public meetings will be opened back to the public pursuant to Nevada law and each counties' social distancing and mitigation measures set forth in their Local Plan.

YOUTH & ADULT SPORTS: Effective June 1, the State's Directives related to youth and adult sports will terminate. State restrictions categorizing sports based on contact level and associated risk with corresponding rules for each will no longer be in effect. However, athletes, coaches, organizations and parents should review the Local Plan in their county for any locally required restrictions, mitigation measures, social distancing requirements, or other protocols necessary to participate in organized sports.

STATEWIDE MASK REQUIREMENT:

The mask and face covering requirements set forth in Directive 024 and Section 4 of Directive 028 (schools) will continue to be a statewide standard. Counties do not have authority to pass resolutions or create Local Plans that attempt to override this requirement. This measure will remain in place to protect the health and safety of Nevadans and help get the state to a full reopening.

ATTACHMENT 2

CLARK COUNTY, NEVADA

Effective June 1, 2021

Clark County will delete in its entirety the plan set and executed on May 1, 2021 and return to pre-pandemic guidelines. This means that restrictions involving capacity limits, large gatherings, dancing, etc. will no longer be in effect.

Fully vaccinated people no longer need to wear a mask or physically distance in any setting, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance.

Masks will still be required on planes, buses, trains, and other forms of public transportation traveling into, within, or out of the United States, and in United States transportation hubs such as airports and stations as referenced in the Centers for Disease Control and Prevention (CDC) guidance. Please see the CDC guidance for fully vaccinated individuals and compliance with mask wearing.

- CDC: <https://bit.ly/3ftHiNU>.

While it is still encouraged to get vaccinated and maintain social distancing when appropriate, we will return to normal capacity moving forward. The public is required to follow all applicable rules and regulations set forth by all state and local jurisdictions.

- Nevada Gaming Control Board: <https://bit.ly/3onHfYh>.
- Nevada OSHA: <https://bit.ly/3yi1meJ>.

For further guidance, refer to the Nevada Health Response and the Southern Nevada Health District (SNHD).

- Nevada Health Response: <https://bit.ly/3dleR3m>.
- SNHD: <https://bit.ly/3welXh6>.

In the event that hospital capacity should rise, additional mitigation may be required for the protection of the Southern Nevada community.

CLARK COUNTY, NEVADA

Supplement to the Clark County Local Mitigation and Enforcement Plan May 18, 2021

The information below replaces the "Face Coverings and Personal Protective Equipment" section of the "Large Gathering Venue COVID-19 Preparedness & Safety Plan" requirements. The previous section was located on page 32 of the Clark County Local Mitigation and Enforcement Plan.

Note: All scheduled events prior to June 1, 2021 will be required to re-submit with the approval letter to modify this section.

Please email: ccroenforcementworkgroup@ClarkCountyNV.gov.

FACE COVERINGS & PERSONAL PROTECTIVE EQUIPMENT (PPE):

CERTIFY THAT YOU WILL MEET THE FOLLOWING REQUIREMENTS:

[By checking a box below, you are certifying the requirement will be met]

- ☐ Encourage compliance with the face covering requirements for non-vaccinated attendees, vendors, and performers.
 - ☐ All attendees are required to wear a face covering unless they have an exemption outlined in [Emergency Directive 024](#), meet the guidance of OSHA outlined at the following link: <https://bit.ly/3yi1meJ>, or the [CDC guidance](#) issued after May 13, 2021.
- ☐ Ensure all employees and volunteers are wearing face coverings unless they are covered under the CDC guidance or OSHA guidance as listed above
- ☐ Post signage and frequent reminders of face covering requirements for employees, attendees, vendors, and performers.
- ☐ Assign ushers, monitors, and/or security personnel to monitor social distancing and face coverings.
- ☐ Establish a protocol for accommodating attendees who cannot wear a face covering due to an exemption in Emergency Directive 024.
- ☐ Ensure face coverings and sufficient PPE will be provided for all staff at no charge, as required by federal law.

Subject: City of Las Vegas Support

Madam Chairwoman, in reference to the discussion today at the Multi Agency Coordination Center (MACC) meeting, the City of Las Vegas is in full support with the proposed modifications to the Local COVID-19 Mitigation and Enforcement Plan. As outlined in this meeting discussion, the proposed changes include: (1) following the CDC guidelines on mask wearing effective tomorrow after the hopeful affirmative vote of the Clark County Board of Commissioners and, (2) effective June 1 at 12:01 a.m. delete in its entirety the plan executed on May 1, 2021 and return to pre-pandemic guidelines for our region.

As always, we thank you for your continual leadership in helping our community navigate through this difficult pandemic crisis.

Best regards,

The Honorable Marilyn Kirkpatrick
Chairwoman
Clark County Board of County Commissioners
500 S. Grand Central Parkway
Las Vegas, NV 89155

Re: Support for Changes to the COVID-19 Regional Mitigation and Enforcement Plan

Dear Chairwoman Kirkpatrick:

The City of Henderson supports the changes to the COVID-19 Regional Mitigation and Enforcement Plan expected to go into effect June 1, 2021. As we understand the changes, public and private facilities in Clark County would be able to return to all pre-pandemic capacity and operations without social distancing, unless such facilities are regulated by another governing body such as the Nevada Gaming Control Board. Mask requirements would continue to follow the CDC guidance, which as of May 13, 2021 states that "anyone who is fully vaccinated can participate in indoor activities, large or small, without wearing a mask or physical distancing" (CDC Director Dr. Rochelle Walensky).

We will continue to work with Clark County to administer the vaccine to our residents to protect them from COVID-19, and we look forward to continuing to work with you to keep our community safe.

Sincerely,

Debra March
Mayor

Subject: Letter of Support for Clark County COVID Mitigation Plan Update

Commissioner Kirkpatrick and Ms. King,

Thank you for your continued work on all of Clark County's COVID response efforts and it is truly monumental and a testament of everyone's incredible dedication and team work to be able to discuss a return to normal.

As the CEO of UMC and the vice-chair of the Nevada Hospital Association, I am fully supportive of the plan to return to a pre-pandemic status for Clark County as of June 1st and to dissolve the Clark County's Mitigation and Enforcement Plan.

If I can help with any further information or supportive details, please let me know.

Thanks,

Mason VanHouweling
UMC CEO

Subject: Support for Clark County Local Mitigation and Enforcement Plan Changes

Chairwoman Kirkpatrick,

Boulder City is supportive of the proposed changes to the local plan outlined in today's 3:30 PM regional call. We appreciate the county's work on the plan and leadership during this transitional period.

Thanks,

Michael Mays, AICP

Subject: Clark County Mitigation and Enforcement Plan BCC agenda item 62

Commissioner Kirkpatrick,

I am writing you to express our support for proposed amendments to the Clark County Mitigation and Enforcement Plan, BCC agenda item 62. The Association members continue to encourage vaccination for employees and health and safety practices at resorts and you know, have been very successful with some resorts reaching a very high percentage of their employees.

We will continue to adhere to all Gaming Control Board, OSHA, and Governor's Directives related to COVID-19 mitigation. We believe that the accessibility and availability of vaccinations for employees and visitors, along with the recent CDC guidance will allow us to fully and safely open to 100%.

We appreciate the support and guidance provided by you, your fellow commissioners, county management, and the department of Business Licensee.

Thank you,
Virginia

Subject: CNLV Support for ending Clark County Mitigation Plan

Chairwoman Kirkpatrick and Commissioners,

The purpose of this email is to express our support for ending the Clark County Mitigation Plan on June 1st. While there was a significant amount of work that went into that plan, based on the current CDC guidance and the state's trajectory we should end the plan. If private businesses want to take a more restrictive approach to protect their patrons as they see fit, we think they should be able to; however, due to potential confusion with conflicting federal, state and regional guidelines we believe ending the plan is the best course of action at this time.

I appreciate all of your leadership and efforts, regardless of who takes credit- and there will be many that try, those of us involved during the past 15 months know that you are responsible for leading Southern Nevada through this pandemic. The lack of communication and absence of collaboration with the state during this time is well documented; however, our County Commission and your entire Clark County team provided the steady leadership, clear communication, and support local governments needed to coordinate our efforts, and without this leadership nobody would be able to take the victory lap your team earned.

We look forward to participating in a regional after action report that highlights the lessons we all learned together and the successes we had so we can provide a blueprint for our region when it faces similar challenges in the future.

Many Thanks,

Ryann Juden

**CONTESTANT/SECOND'S
COVID-19 VACCINATION CONFIRMATION
OR
CONSENT FOR COVID-19 TESTING**

I have received all doses for a complete COVID-19 vaccine and am fully vaccinated¹: ☐ Yes ☐ No

If yes, I understand that I will not be permitted to compete/participate in the pending contest unless and until I present to the Nevada State Athletic Commission (NSAC) a completed vaccination card, or other proof acceptable to the NSAC, that verifies my completion of the requirements for COVID-19 vaccination.

If no, I understand that I will not be permitted to compete/participate in the pending contest unless and until I submit to a COVID-19 polymerase chain reaction (PCR) test, or other test accepted by the NSAC, either on the day before or the day of the contest, that the test result be negative for COVID-19, and that I provide proof of the negative test to the NSAC.

In addition to the above, I understand and acknowledge that I am subject to any COVID-19 testing as deemed appropriate or necessary by the NSAC.

I hereby swear, under penalty of perjury, that the above information, and any documentation provided in connection with the same, is true and correct. I also acknowledge that providing any false, incorrect, or misleading information either within, or in connection to, this form, would be grounds for disciplinary action pursuant to NRS 467.110, NAC 467.885, and may lead to the suspension or revocation of my license.
